Pregame meals and/or tailgates (Coordinator: Daphne Lee, daphne.umrebounders@gmail.com)

Pre-game Meals are great opportunities to spend time with Rebounder friends and future friends before the games! Come alone or bring a friend. No RSVP required. All are welcome!

How to host a pre-game meal?

Select a game date and pick a restaurant that you like and sign up to host. Arrive at the restaurant about fifteen minutes before meal time and greet others who will join you.

Once you pick the date, time and location for your pre-game meal/tailgate, contact the coordinator with the information. A schedule of all pre-game meals/tailgate will be posted on www.UMRebounders.com and The UM Rebounders Facebook page.

Some suggestions: pick a place that has prompt service; you may prefer a restaurant that offers separate checks. A good time for meals is two hours before game time. On popular game days you may want to start 2 ½ hours before game time.

For tailgate, the location is parking lot 9b, next to Xfinity Center.
