Agenda Discussed

Joe Glowacki addressed the State of the Team. We have 10 players this year including three freshmen and one transfer. The biggest leap since the end of last season was Brianna Fraser who has been focusing on strength and conditioning. Brianna has also become a leader on the team. The new players are integrating well. Joe stated that all players will need to contribute as the B1G 10 has become a tougher, better league over the last few years. Joe thanked the Rebounders for being the constant in the lives of the players through our support both home and away as well as on and off the court.
